

INSTALLATION & USE INSTRUCTIONS

CONGRATULATIONS!

Your new *LIGHTLINK* Locking Bar for an M-3/M6 Streamlight or LEDWave Z5 Tactical Light is enclosed. *LIGHTLINK* products provide you with the finest in state-of-the-art tactical lighting capabilities, permitting you to use a single tactical light on multiple weapons. *LIGHTLINK* products are the only tactical lighting system with recoil shielding built right into the mount.

IMPORTANT:

**READ THESE MATERIALS
BEFORE
YOU USE THIS PRODUCT!**

Streamlight M3 Light on M4

Never use a **Non-Recoil Protected** *LIGHTLINK* mount, or a factory plastic locking bar, on any weapon larger than a .223 Remington. Any weapon which recoils more requires use of a **Recoil Protected** *LIGHTLINK* Mount, and a metal *LIGHTLINK* replacement **Locking Bar**. Failure to use a **Recoil Protected** mount or metal **Locking Bar** on any heavy recoiling weapon may damage your light, and is a mis-use of *LIGHTLINK* products that will void all warranties.

Never disassemble *LIGHTLINK* products. *LIGHTLINK* contains small parts & springs that may cause injury if improperly released. If repairs are required, return your *LIGHTLINK* product to Mounting Solutions Plus.

Your *LIGHTLINK* mount is pre-adjusted for your weapon. If you need unique adjustments, ask your dealer to ship your firearm to Mounting Solutions Plus for adjustment of your *LIGHTLINK* mount. Otherwise, **never** attempt to re-adjust your mount. Improper adjustment can damage your *LIGHTLINK* mount, your tactical light, or your firearm.

LIGHTLINK products should **only** be installed by a competent gunsmith or armorer. Improper installation may result in damage to your weapon, light, or mount.

Any disassembly, alteration, re-adjustment, improper installation, or misuse of any *LIGHTLINK* product voids all warranties.

Never attempt to attach or detach *LIGHTLINK* or any light to your weapon with a cartridge in the chamber. **Always** unload your weapon first.

Never use *LIGHTLINK* or any weapon mounted light as a flashlight. Weapon mounted lights are strictly tactical lights, and are to be used only when lethal force is authorized and unavoidable. **Never** point a loaded firearm at anything you are not authorized and willing to shoot.

Always carry spare bulbs or lights when using *LIGHTLINK* or any other tactical lighting system. While *LIGHTLINK* is intended to reduce the amount of recoil force applied to your lighting system, nothing can permanently protect a light bulb from excessive impact or wear through use. All light bulbs will break eventually, and the *LIGHTLINK* tactical lighting capability is limited to **working** lights. Since Mounting Solutions Plus can not control your use of *LIGHTLINK* products with firearms and lights in good repair, Mounting Solutions Plus will not be responsible for failure of your weapon or light.

Always avoid lethal situations whenever possible. Tactical lighting products such as *LIGHTLINK* are intended to provide illumination capabilities to persons in unavoidable potentially lethal situations, but no product can fully protect the user from injury or death in a firefight. The knowing use of *LIGHTLINK* products, when a potentially lethal situation could be avoided, will constitute an assumption of the known risks of engaging in a lethal situation.

Never violate these rules. Firearms are lethal and destructive devices. Violation of these warnings or misuse of any *LIGHTLINK* product may result in injury or death to the user or to others.

IN OTHER WORDS:
USE SOME COMMON SENSE!!!

MOUNTING SOLUTIONS PLUS IS NOT RESPONSIBLE FOR YOUR MIS-USE OF LIGHTLINK PRODUCTS.

Replacement Instructions

Step 1 - Depress the detent spring and push out the factory locking bar from left to right.

Step 2 - Orient your new locking bar (enclosed) toward the front of the light.

Locking Bar must be oriented correctly.

NOTE:

It is **critical** that the locking bar be correctly oriented toward the front of the light. If the locking bar is reversed, it will not lock in place, and the light will fall off the weapon during recoil.

Step 3 - Depress the spring and insert the new replacement locking bar from right to left. Release the spring to lock the bar in place.

USE

To use your **LIGHTLINK** mount, make sure the weapon is unloaded, point it in a safe direction, and simply snap the tactical light into place on the rail. Pull the light toward you with a **firm** and positive motion, until the light seats against the rear block rubber plug. Listen for the “**click**”, that indicates that the locking bar is fully seated.

DO NOT FIRE THE WEAPON

UNLESS THE LOCKING BAR IS FULLY SEATED!!!

Reverse the process to dismount the light: Lift the locking bar and push the light forward until it clears the rail.

Seat light **firmly** (M3 shown here on forearm mount)

WARNING

NEVER mount a tactical light on a heavy recoiling weapon without **first** replacing the factory locking bar with a metal locking bar. Factory plastic locking bars will **not** withstand heavy recoil and **will** eventually break. Use of a plastic locking bar on a **LIGHTLINK** mount voids all warranties. **LIGHTLINK** metal replacement locking bars are available for most common tactical lights.

LIGHTLINK Mounts Include:

Rifle I-Mount On Colt

Upper Forearm Mount For A2 Forearm

Adjustable Helmet Mount

Headband Mount

Both For Hands-Free Search

Shotgun I-Mount On Remington

Detachable ARMS 17 Mount.

LIGHTLINK Mounts are available in a variety of models for most weapon systems. **LIGHTLINK** Mounts are available in Non-Recoil protected models, as well as three different recoil protected variants to meet almost any level of recoil.

WARRANTY & DISCLAIMER

THERE IS NO WARRANTY, REPRESENTATION OR CONDITION OF ANY KIND FOR **LIGHTLINK** PRODUCTS; AND ANY WARRANTY, EXPRESS OR IMPLIED, IS SPECIFICALLY EXCLUDED AND DISCLAIMED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE.

Some states do not allow limitations on implied warranties, so the above limitation may not apply to you.

IT IS AGREED THAT THE LIABILITY OF MOUNTING SOLUTIONS PLUS, AND THE PURCHASER'S SOLE REMEDY, WHETHER IN CONTRACT, UNDER ANY WARRANTY ALLOWED BY STATE LAW, IN TORT (INCLUDING NEGLIGENCE), IN STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE RETURN OF THE AMOUNT OF THE PURCHASE PRICE PAID BY PURCHASER, OR ALTERNATIVELY REPAIR OR REPLACEMENT OF THE **LIGHTLINK** PRODUCT; AND UNDER NO CIRCUMSTANCES SHALL MOUNTING SOLUTIONS PLUS BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING, BUT NOT LIMITED TO, PERSONAL INJURY, DEATH, PROPERTY DAMAGE, DAMAGE TO EQUIPMENT, LOST PROFITS OR REVENUES, COST OF OBTAINING REPLACEMENTS, OR OTHER ADDITIONAL EXPENSES, EVEN IF MOUNTING SOLUTIONS PLUS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE LIMITATIONS ON THE PRICE PAID FOR THE PURCHASE OF THIS **LIGHTLINK** PRODUCT IS A CONSIDERATION IN LIMITING THE LIABILITY OF MOUNTING SOLUTIONS PLUS AND THE PURCHASER'S REMEDIES.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you.

MOUNTING SOLUTIONS PLUS WILL NOT BE LIABLE FOR ANY DAMAGES, LOSSES OR EXPENSES AS A RESULT OF PURCHASER'S NEGLIGENCE, WHETHER DEEMED ACTIVE OR PASSIVE AND WHETHER OR NOT ANY SUCH NEGLIGENCE IS THE SOLE CAUSE OF ANY DAMAGE, LOSS OR EXPENSE. MOUNTING SOLUTIONS PLUS WILL NOT BE LIABLE FOR THE USER'S VOLUNTARY AND KNOWING ASSUMPTION OF THE KNOWN RISKS ATTENDANT TO ANY POTENTIALLY LETHAL SITUATION.

This warranty and disclaimer describes specific legal rights, and you may have other rights which vary from state to state.
